Love Dallas

If a child's success or failure depended on a relationship with you, would you choose to give your time, talent and treasure?

We've got just the place for you...

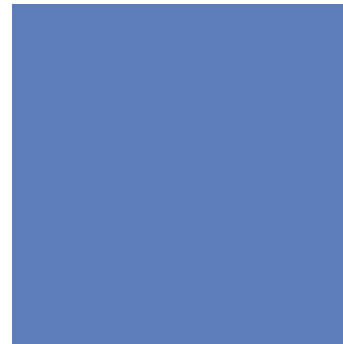

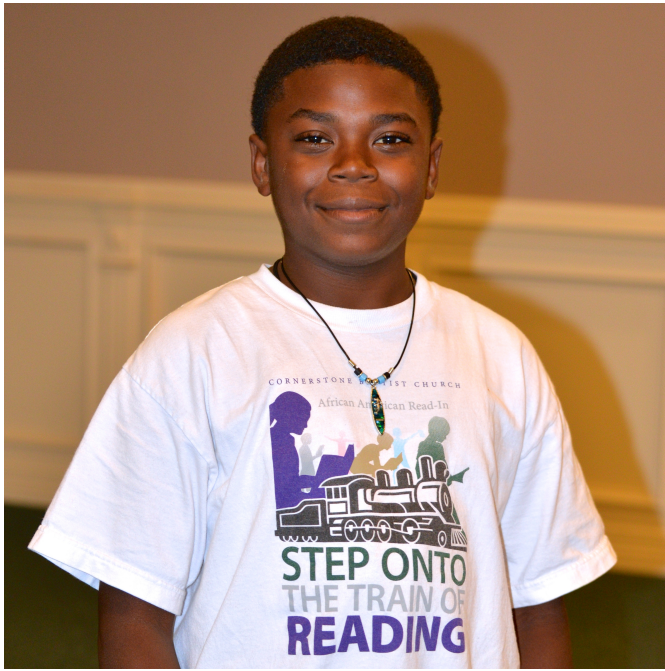

Impact Dallas

It takes all of us...and we all have something to give

Simply put, love shows up. Children know we care when we're THERE. Reach4Hope's mission is to reach inner city youth through its After School Program, Homework Center. Children ages 4 through 18 receive mentoring, academic assistance, nurturing, daily snack and dinner, help with basic needs, weekend snack bag, Bible study, craft time, recreational time and skill classes. And each year we celebrate the holidays together! Our core staff is supplemented by faithful Volunteers with a heart for children – college students, retirees, former military, and business people - who all pour into the students lives. **We are privately funded and have a generous \$250,000 corporate \$1 for \$1 match in place through 9/2016**

Prepare them to lead successful lives with a foundation of faith, work ethic and character.

Our inner city children need us more than ever

Dallas is #1 in child poverty in US cities with population of 1 million or more. 38% of Dallas children live in poverty. Come to 75215 and you'll witness it first hand. Mayor Mike Rawlings speaks of our city's persistent poverty as a great problem to be solved together. Their world is chaotic, immoral and unstable and most are underdeveloped academically.

What can I do??

Reach4Hope provides a safe, nurturing place where expectations are high, and children are taught standards of excellence.

We need YOU! Help at a weekend event, come for an hour and read to children, help with elementary homework, serve dinner, help with administrative task, lead a 3 week skill class in an area of interest – finance, art, music, manners, sports.

Donate! We always need children's items that we share with the 450 children impacted by Reach4Hope.

Your small group or office can host a donation drive for needed items and we'll come pick it up.

Every little bit helps!

VOLUNTEER

Homework Center meets Monday through Thursday 3pm - 6pm and follows the DISD school calendar.

Volunteers arrive at 2:30pm and children begin arriving at 3pm. There is simple paperwork, a 40 minute online video training on MinistrySafe.com and a criminal background check required to start. No small children please.

We encourage you to come and observe one afternoon. Just request a tour if you're interested.

Our Director will guide your first days to ensure a comfortable fit.
